

# Important Student Handbook Information

For the 2012-13 school year, Hartland Schools will be posting their Student Handbooks online and will no longer be providing paper copies. We are asking that parents sign the handbook verification form below so that we are sure you and your child have access to the information you need. The online handbook is easily accessible at the following web address:

**<http://www.hartlandschools.us/schools/lakes/index.html>**

Then just click "handbook" at the top of the page.

We believe that this will make us all more efficient, and will also save money and paper by not printing copies of the handbook. If there is an extenuating circumstance and you would still like a hard copy of the Student Handbook, please stop by the Lakes office and we will be happy to assist you.

**Please sign and detach the bottom portion of this page and have your child return it on the first day of school.**
